Product Description

The Versa-Kool® VK20 20" Circulation Fan with Tapered Guards, Cord & Mount—5470 CFM, 1/3 HP, 115/230 Volt is the ideal cooling solution for outside events and tents. Engineered to produce greater air movement and superior cooling, it's the right choice no matter the application. The best-in-class deep-guard design creates extreme airflow, low noise levels, and unrivaled safety. The matched heavy-duty motor and blades provide maximum velocity, and the specifically designed, power-coated steel guards give this legendary fan its trusted durability, long life, and corrosion resistance. Plus, the supplied powder-coated steel ceiling mount bracket makes for easy installation. Includes a 2-year limited warranty.

Powder-Coated Steel Ceiling Mount Bracket and Power Cord Included

Best-in-Class Deep-Guard Design

Specifically Designed, Powder-Coated Steel Guards

Matched Heavy-Duty Motor and Blades
