

DOSATRON®

An Ingersoll Rand Business

To order now, call 1-800-523-8499

FILTERS

SPECIFICATIONS

Filters include a cleanable, permanent, stainless steel filter. No replacement cartridges necessary.

FEATURES

200 mesh/80 micron
Polypropylene

MAINTENANCE

- To clean the filter, remove the screen and, using a hose, spray the screen mesh from the outside in.
- If needed, soak overnight in a mixture of water, vinegar, and dish soap. Then scrub with a small brush or toothbrush.
- Reinstall.
