

DISPLAYLINK · 15.6" GROW ROOM PANEL

Your grow room, on the wall.

An always-on Growlink panel for every room. Live climate, irrigation and alerts where your team works. One Ethernet cable powers it.

01

Always on

Full HD, 10-point touch. Rooms, setpoints and alerts without reaching for a phone.

02

One-cable install

Power over Ethernet. Flush wall mount with a 13.6 mm profile.

03

Senses the room

On-board temperature, humidity and light sensing. 5 MP camera.

04

Nova AI, on the wall

Ask Nova what changed in the room and what to do next. Answers from live Growlink data.
