**PRESERVE
& PROTECT**

Maintain
aroma, flavor,
and weight

HAPPY PLANTS

Treat your
plants right
and they
will be good
to you!

**MOISTURE
CONTROL**

Too much moisture can cause mold
and not enough will cause dryness

BOOST™

YOUR PLANTS

**You may use multiple packs to introduce moisture faster. BOOST™ packets will adapt and respond accordingly.*

HOW TO READ REPLACEMENT INDICATING CARD

Card used with 62% will have a Pink dot.

Card used with 55% will have a Lavender dot.

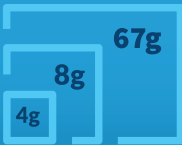

Regulating occurs when new air is introduced. Seal lid and dot will react to humidity.

Dot will turn blue, when it's time to replace pack.

PACK SIZES:

RECOMMENDED SIZES:

Up to 12g of Plant

12g - 28g of Plant
