

The Twister T2 Trimmer. Trim More. Faster.

The Twister is the world's fastest leaf trimmer, equipped with the industry's most powerful vacuum along with proprietary blade geometry to deliver the closest cut possible without damaging your product.

Extremely Fast

11 StaySharp™ self-sharpening blades are maintenance-free and perform 19,250 cuts every 60 seconds.

Consistent Cut

Trimmed pieces are of uniform quality, hour after hour; day after day.

Low Maintenance

No paint to chip or flake; strips down for complete cleaning access in less than 10 seconds with no tools; fully serviceable by end-user.

Easy to Clean

Watertight electrical and motors allow for complete high-pressure washdown.

QuickClick™ Technology

Ensures ultra fast, extremely precise blade adjustment (.0009" / .023mm per click)

Double the Speed

Designed for back-to-back tandem use, for even greater performance gains.
